

# make **kindy** more available

**1 toilet = 20+ more placements**

To increase our placement numbers we need to build another children's toilet, upgrade our septic system and relocate our staff toilets. The capacity created by one more toilet will significantly open up more opportunity for local families.

**Can you help us create more placements for our local children?**

If you would like to contribute please contact us at [committee@rangekindy.qld.edu.au](mailto:committee@rangekindy.qld.edu.au) or go straight to our Go Fund Me page at <https://gofund.me/8f2e7998> or scan the QR code below
